A local, family-owned business, Paws & Kisses Pet Sitting proudly celebrates this special occasion and honors the past three years of challenges, growth and community support. As a thank you to the pet loving community for their support over the past 3 years, Paws & Kisses will be hosting a Dog Biscuit Party on Saturday, March 12th, 2011 from 11 a.m. to 4 p.m. at H3 Pet Supply, located at 350 Bridgeport Avenue, Shelton, CT. Paws & Kisses Pet Sitting Service, LLC was established in 2008 in response to the ever-growing need for professional pet sitting services within Fairfield and New Haven Counties. Paws & Kisses is dedicated to the understanding that your pet is a member of your family and that loving care, minimal stress, and routine are key to a happy and safe pet.

Services include: pet sitting for dogs, cats, birds, fish, reptiles and small animals, dog walking and exercising, pet taxi services for trips to the vet, groomer, etc., overnight stays, plant watering, mail collection, holiday or vacation care, and special care for young, elderly and sick animals. Paws & Kisses is licensed and is fully bonded and insured for all services offered. All Paws & Kisses staff are knowledgeable, trained professionals and are certified in Pet First Aid & CPR. Paws & Kisses is also a member of the National Association of Professional Pet Sitters, Inc.

“Paws & Kisses Pet Sitting, LLC is committed to offering top-notch service to families and their beloved pets,” said Mandy Oram, owner of Paws & Kisses. “We offer customized care designed to meet the needs of both humans and their animal companions.”

“Mandy and her staff do an amazing job of taking care of your little ones. We feel they enjoy her visits and it gives us great peace of mind. We would highly and unquestionably recommend her.” cited one current client. Others provide similar glowing references to the quality and professionalism of Paws & Kisses staff.

In the past, pet owners had few choices concerning care for their animals during their busy work schedules or when they travel for work or pleasure. Although friends and neighbors can sometimes help in a pinch, the better solution is to hire a professional pet caregiver. A familiar environment, diet and exercise, along with the personal attention of a professional pet caregiver provide both the ideal situation for pets and peace of mind to their busy humans.

Paws & Kisses is also very active in the local community, collecting and providing much-needed pet care supplies to local animal shelters and rescue groups. In fact, for each of the past three years, Paws & Kisses has hosted the annual Southern CT Presents 4 Pets Charity Collection campaign, collecting and donating over \$ 18,000.00 of pet care items to more than a dozen animal shelters and rescue groups during that time. They will be hosting the Southern CT Presents 4 Pets campaign again in 2011 and look forward to continued community support.
